## 2009 Talbott Pinot Noir, Logan

## KCBS RADIO

“Here are two delicious wines from Talbott. They’re located in the Santa Lucia Highlands, that’s down in Monterey County. And I’m really pleased with the prices...Classic Pinot Noir aromas of strawberries with an almost smoky background. Toasted oak touches the aroma for a very nice balance. Rich and lush ripe fruit flavors linger long on the palate. That bright fruit makes this a delicious wine to just pick up and drink a glass of. It would be a fine match for a rare roast beef or steak.”
