## 2008 Logan Pinot Noir

## FOOD & BEVERAGE WORLD

“Named for Robb Talbot’s son, Robert Logan Talbot, the original 1994 vintage of Logan Pinot Noir was introduced in 1997. Since then, this estate-grown wine, produced exclusively using grapes from their acclaimed Sleepy Hollow Vineyard in the Santa Lucia Highlands, has emerged as one of the most popular wines in their portfolio.”

## 2008 Logan Pinot Noir

“A bright Pinot Noir, with a bold accent of minerals, its nose offers aromas of black cherry and plum along with notes of hickory smoked bacon. The cherry and plum return on the palate and move into notes of cola with hints of cinnamon. The wine finishes with the zest of minerals. Those who enjoy a Pinot with pzazz over silky smooth ought to give this bottle a try.”
