“Focus on the Coast”

“I believe that the Central Coast is offering some of the best high-end wine value in California.”

Talbott Vineyards 2005 Diamond T Chardonnay

“Bright gold. Sexy, oak-spiced pear and melon aromas are complicated by vanilla bean and blond tobacco. Lush and creamy, with poached pear and honeydew flavors and an undertone of smoky baking spices. A bitter peach pit note adds bite to the long, sappy finish. This is already very inviting.”
