## 2008 Talbott Pinot Noir, Logan

## WINE ADVOCATE

“This is the most impressive lineup of wines I have seen from Talbott in a number of years. Their less expensive second label is a noteworthy value.

The 2008 Pinot Noir Logan has wild berry and sandalwood notes, a slightly darker ruby color, richer, more dramatic flavors of red and blue fruits, and some nice spice and earth. This beauty is broad, savory, and can be drunk now or cellared for another 7-8 years.”
