## QUARTERLY REVIEW OF WINES

### Monterey Magic

“Carmel Heller, Talbott and Bernardus wineries rank with California’s best. California’s Monterey County is spectacular in summer, yet it retains its appeal well into November and the end of grape harvest...All three producers make exemplary wine, yet it is interesting to note how they follow different routes.”

### 2008 Talbott Chardonnay, Diamond T

“Corton-Charlemagne clones hand picked from a seven-acre parcel of steep, chalky, cool climate vineyard highlight apple, vanilla, butter and citrus with a lengthy flavor profile.”
